**REPORT ON SKILL ENHANCEMENT PROGRAMME**

SGTBIMIT in collaboration with UI Path Academy , organized Skill Enhancement Programme which aimed to empower participants with critical skills in automation and robotic process automation (RPA).

The curriculum included comprehensive training on UI Path tools, focusing on workflow automation, data extraction, and artificial intelligence integration. Participants engaged in hands-on workshops led by industry experts, allowing them to gain practical experience in automating real-world business processes.

The program also featured interactive sessions on best practices, industry trends, and care

er opportunities in automation. By equipping professionals and students with relevant tech-driven skills, the initiative sought to enhance employability and foster innovation, aligning with the increasing demand for automation in various sectors.

REPORT ON

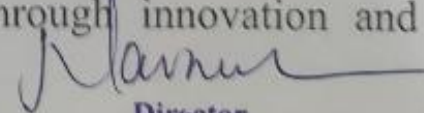

DIDAC 2024 AT YASHBHOO MI CONVENTION CENTRE

The DIDAC India 2024 exhibition, held at the Yashobhoomi Convention & Expo Centre in Delhi from September 18 to 20, was a major event in the education and skills sector. Organized by Messe Stuttgart India in collaboration with the India Didactics Association (IDA), the event attracted over 300 companies from 20 countries, showcasing more than 5,000 innovative products and technologies aimed at transforming education.

The exhibition featured prominent global brands like Google, Apple, HP, and Samsung, along with international pavilions from countries such as Germany, Finland, and the UK. These exhibitors focused on cutting-edge solutions, including AI-driven technologies, interactive learning tools, and skill development platforms, reflecting the growing influence of technology in education.

Running concurrently with the event was the 14th edition of the International Education & Skills Summit (TIESS), which brought together global thought leaders, policymakers, and educators to discuss the future of education. Key topics included AI integration, the evolution of teaching methods, and the importance of skill development in a rapidly evolving world.

Workshops organized by the DIDAC Academy provided hands-on experiences for educators, emphasizing practical applications of new tools and techniques. This year's event underscored India's ambition to become a global leader in education through innovation and partnerships.

  
Director

The event provided a fantastic platform to explore new innovations in education, from AI-driven tools to interactive learning technologies.

EDITION

**SRI GURU TEGH BAHADUR INSTITUTE OF  
MANAGEMENT AND IT**

**REPORT ON 2<sup>nd</sup> NATIONAL SKILL SUMMIT BY PHDCCI**

The event "Her Enterprise" was a significant part of the 2nd National Skill Summit organized by the PHD Chamber of Commerce and Industry (PHDCCI), India. The event was held under the overarching theme of empowering women entrepreneurs, the summit focused on fostering skills, knowledge, and opportunities for women-led businesses and startups. The detailed report on the event is mentioned hereunder:

**Event:** "Her Enterprise" – 2nd National Skill Summit by PHDCCI

**Date:** September 25, 2024

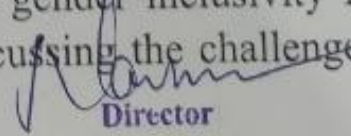

**Organizer:** PHD Chamber of Commerce and Industry (PHDCCI), India

**Attendees:** Ms. Amandeep Kaur, Ms. Dilpreet Kaur, Ms. Ripleen Kaur

**Objective of the skill summit:**

The core aim of "Her Enterprise" was to promote entrepreneurship among women, encourage innovation, and equip them with the necessary skills to scale their businesses in today's competitive environment. It emphasized the importance of gender inclusivity in business and enterprise development while discussing the challenges and opportunities for women entrepreneurs.

**Key Focus Areas:**

  
**Director**

**SRI GURU TEGH BAHADUR  
INSTITUTE OF MANAGEMENT &  
INFORMATION TECHNOLOGY  
ADJ. TAJ CO. BANG. ROAD, GATE  
BANK COLONY, LUDHIANA**

- **Women Entrepreneurship:** Highlighting the contributions of women entrepreneurs in India and how they can become major players in the business ecosystem.
- **Skill Development:** Addressing the need for skill enhancement and training for women to succeed in business.
- **Policy Support:** Exploring government initiatives, schemes, and policies to support women in entrepreneurship.
- **Innovation and Technology:** Showcasing the role of digital platforms and technological advancements in facilitating women-led enterprises.

### Sessions and Discussions:

The summit hosted several panel discussions, workshops, and talks by distinguished speakers of different sectors.

### Key topics included:

**Entrepreneurial Ecosystem for Women:** Fostering a supportive environment for women entrepreneurs through mentorship, networking, and funding access.

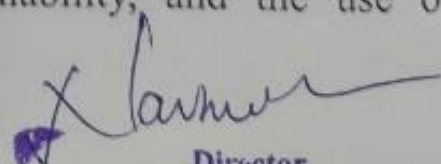

**Government and Policy Support:** Government initiatives such as Skill India and Start-up India were highlighted, emphasizing how these programs cater specifically to women entrepreneurs.

**Overcoming Challenges in Business:** Discussions revolved around the barriers women face in starting and running businesses, such as access to capital, societal challenges, and the gender gap in leadership roles.

**Sustainability and Growth of Women-Led Enterprises:** Emphasizing long-term sustainability, scalability, and the use of technology for business growth.

### Impact of the Event:

"Her Enterprise" served as a platform for:

**Director**

SRI GURU TEGH BAHADUR  
INSTITUTE OF MANAGEMENT &  
INFORMATION TECHNOLOGY  
ADJ. TO GD. NANAK PLAZA, STATE  
BANK COLONY, DELHI-110009

**Networking:** Women entrepreneurs and participants had the opportunity to interact with industry experts, policymakers, and potential investors.

**Skill Enhancement:** Several workshops and panel discussions provided valuable insights and practical knowledge on scaling businesses.

**Knowledge Sharing:** Real-world experiences and case studies were shared by successful entrepreneurs, offering inspiration to aspiring women in business.

**Policy Awareness:** The event helped in raising awareness of government schemes and initiatives aimed at empowering women entrepreneurs.

### Outcome and Future Directions:

The summit successfully laid a foundation for further discussions on:

- Creating more inclusive platforms for women in business.
- Bridging the gap between policy initiatives and their implementation.
- Encouraging more women to step into the entrepreneurial ecosystem by addressing their specific challenges.
- Providing continuous training and mentorship to ensure the long-term success of women-led enterprises.

### Conclusion:

"Her Enterprise" at the 2nd National Skill Summit by PHDCCI was a powerful initiative, reinforcing the importance of skills, knowledge, and support for women entrepreneurs in India. The event not only highlighted the entrepreneurial spirit of women but also underlined the role of skill development and policy support in driving their success. Conclusively, such initiatives are crucial to fostering a gender-inclusive entrepreneurial ecosystem in India.

REPORT ON

"CONSULTATION WORKSHOP ON DRAFT FACULTY NORMS AND  
REGULATION (DIPLOMA AND DEGREE) AICTE"

The All India Council for Technical Education (AICTE) has established regulations aimed at standardizing the appointment, pay, promotion, career advancement, and service conditions of faculty members at AICTE-approved technical institutions. These regulations are periodically reviewed to ensure they remain relevant and aligned with current educational needs.

A consultation workshop on these norms was scheduled to be held at AICTE Headquarters, Nelson Mandela Marg, Vasant Kunj, New Delhi, on **September 18, 2024, at 10:30 A.M.** This workshop specifically focused on reviewing norms for **Degree and Diploma programs**, providing a platform for discussion and feedback regarding faculty standards and other institutional regulations.

Dr. Sumeet Kaur, Dr Supreet kaur and Dilpreet kaur from our prestigious institute SGTBIMIT attended the AICTE workshop held on **18th September 2024** at AICTE Headquarters in New Delhi. This workshop was focused on the review and consultation of norms related to **Degree and Diploma programs**, as part of AICTE's efforts to periodically update its regulations concerning faculty appointments, promotions, pay scales, and service conditions at technical institutions. Such reviews are crucial for maintaining the quality of teaching and learning across AICTE affiliated institutions.
